

LAS ARTISTAS

Thanks to those who made our first-ever *Taste of Las Artistas* event a success!

Last month, more than 200 people attended the two-day *Taste of Las Artistas* pop-up marketplace and wine tasting event at Wine Attitude in El Paso. Kudos to all of the talented local artists, including the students in UTEP's Ceramics Program (under the direction of Department Chair and Associate Professor Vince Burke) and UTEP's Metals Program (under the direction of Visiting Associate Professor Jessica Tolbert), and Candie Printz and her recycled arts program students. You all make our world a better place by creating beautiful art and craft for all to appreciate.

Las Artistas is grateful to the many people behind the scenes that made the event happen. Thank you to **Kelly Wiseman**, our event Chair, for overseeing all the details. **Wine Attitude** was the perfect setting for this creative event, so a big thanks to our gracious hosts **Riccardo, Richard, and Yolanda Barraza** for making everything run smoothly. Thank you the **United Bank of El Paso Del Norte**, our *Taste of Las Artistas* series sponsor, for helping us bring art and craft to El Paso.
